470 Application Number: 190019790

FCC:

I am requesting a waiver in order to file a new form 470. I would like to increase the maximum capacity to 1G of service. We currently have 400 Mbps, and it is not meeting the needs of the school as we advance our student use of technology.

Sincerely,

A handwritten signature in dark ink that reads "Michele Campbell". The script is cursive and fluid.
